P.S. I can't see spending \$500-600 out of treasury for medal design & dies etc. We're lucky we have a good amt in treasury to cover misc. expenses.

As a ^{former} president with a low treasury & rent to pay every month we often wondered what we'd do if we ran out of money. Luckily Roy Van Ormer covered us for many months!! I can't see it for the few members that want the medals or whatever! (unless the costs are covered by the sale of same)
